"Run the Race"

Hebrews 12:1

"Therefore, since we are surrounded by such a great cloud of witnesses, let us throw off everything that hinders and the sin that so easily entangles, and let us run with perseverance the race marked out for us."

In the Christian life, we run the race of faith which God has set out for each of us to run. How we run the race will determine whether we receive the crown of life which He will reward to the faithful and victorious runners. (Rev. 2:10) Paul certainly understood this when he finished the race. (1 Tim. 4:7-8)

Glacier View Ranch, where we have had camp for many years, is a beautiful place in the Colorado Rocky Mountains. It is near the base of the glacier and the lake adds to the beauty. This along with the good solid Bible preaching and teaching, the Christian fellowship and the good food makes these days very spiritually refreshing.

Morning camp consists of the public devotional time, divided classes for all ages and the chapel service. Afternoons are free time for your choice of resting, relaxation and/or fellowship. Canoeing on the lake, volleyball, football, swimming and even some horseshoe pitching can be enjoyed. The evenings are filled with good singing, special music and good gospel preaching.

Thank you all for your continued interest in keeping family camp going. We are very grateful to the various area churches that have pitched in and helped support the efforts of camp.

In order for us to purchase and prepare the near correct amount of food, to get the rooms, etc. organized ahead, and for the teachers of the children to know how much material to prepare, we would appreciate you sending in your registration as soon as possible. You DO NOT need to send the fee ahead of time. You may call, e-mail or "snail mail" your registration (also QR code is available). Feel free to contact us if you need further information. Thank you.
